

St Thomas More Primary

Evidencing the Impact of Primary PE and Sport Premium

2015/16

Our aim is to achieve the following objective:

To achieve self-sustaining improvement in the quality of PE and sport at St Thomas More School. We will achieve this by developing and or adding to the PE and sport activities that the school already offers and make improvements now that will benefit pupils joining the school in future years.

We will be using the funding to:-

- Provide qualified sports coaches to work with teachers
- Provide existing staff with training or resources to help them teach PE and sport more effectively
- Introduce new sports or activities and encourage more pupils to take up sport
- Support and involve the least active children by running or extending school sports clubs, clubs and Change 4 Life clubs
- Embed competitive elements to curriculum PE
- Increase pupils' participation in the School Games.
- Continue the membership with North Oxfordshire School Sports partnership to continue links with other schools and clubs.

At the beginning of the year a questionnaire was sent to parents. Our findings were as follows:

89% of parents felt PE and School Sport opportunities were good.

95% of children enjoy PE at St Thomas More

47% of children participated in After School Sports Club last year 2014/15

70% of parents said a good use of PE funding was to offer free after school clubs.

We are therefore hoping to organise as many after school clubs free of charge next year using some of the funding to pay coaches.

St Thomas More School has opted to continue to support the School Sports Partnership by allocating 50% of the funding to the North Oxfordshire Schools Sport Partnership ensuring that, with the exception of curriculum coaching, all festivals, competitions, CPD and resources will continue to operate next year. A detailed action plan of how we are going to spend the rest of the funding is available on the school website. Three initiatives we have introduced this year were BIKE ABILITY training for Y6, TOP UP Swimming for Y5/6 and Walk on Wednesday (WOW)

Our Change 4 Life programme this year allowed each class per term to enjoy Friday afternoon fun.

Some of our funding helped towards the upkeep of the school minibus to enable teams to travel to festivals and competitions and Hillend for Change 4 Life.

Kevin Peake as our North Oxfordshire School Sports Mentor has been working with various class teachers through the Summer term to focus and demonstrate to staff how to deliver progressive learning in PE.

THIS YEAR WE HAVE ACHIEVED THE GOLD KITEMARK FROM THE YOUTH SPORT TRUST AND SILVER AWARD FROM THE SAINSBURYS SCHOOL GAMES 2015/16

How we spent the funding 2015/16:-

1. The engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles.

This year we decided to embed our Change 4 Life club into curriculum time. Every Friday afternoon throughout the year each class has 4 sessions. Funding was continued to be used to offer the children the opportunity to visit Hill End an Outdoor activities centre.

This year our Y4 children also attended a Change 4 Life Partnership festival.

The walk to school initiative has been well supported throughout this academic year with 25 children making the weekly 15 minute walk to school to encourage a healthier lifestyle.

Funding was used to cover additional hours for staff to supervise the walk to school. Further case studies on some of the children provided evidence of a positive impact the walking demonstrated on attendance behaviour and attainment during morning lessons.

We were delighted to be able to continue the Bike Ability and Award scheme this year as part of our development of a healthy active lifestyle. Additional Teaching Assistant hours paid from the PE funding ensured the courses could be run for all our Y6 children. This year again we had a 100% success rate with all our Y6 children passing their Bike Ability training. We were also able to use the funding to purchase a bike for children who did not own a bike and were therefore able to participate in the scheme. Sports Leadership training was completed by our Y6 children. Additional playground equipment was purchased from the PE funding to develop further our Playtime activities delivered by the Y6 children. 73% of Y1 and 84% of Y2 children were engaged throughout the year in lunchtime activities.

We also introduced “Boogie Break time for KS2 children to increase their physical activity throughout the day. The activity was run by the Y5 children who enjoyed demonstrating some leadership skills

2. The profile of PE and sport being raised across the school as a tool for whole school improvement.

Our whole school targets this year were personalised learning, developing links for the gifted and talented, embedding ICT into the curriculum and raising the connections of the benefits of physical activity in maths and literacy.

Funding was used to allow the PE Coordinator time to develop these sheets incorporating the new curriculum of progression of skills in PE. Some of our Y6 children were given the chance to work alongside KS1 teachers to support the delivery of PE and allow opportunities to mentor and coach children. School IPADS were upgraded to include PE apps such as Coaches Eye and Slopro to enhance the evaluation and feedback elements of PE lessons.

Case studies involving a support group in Y5 maths involved in active learning highlighted the benefit of active curriculum lessons. The positive impact on pupil lateness and behaviour resulted in 100% of the children showing improvement in their maths skills.

Funding was also used to promote a “whole School Olympic Celebration Enrichment Week”. The activities were designed and run by the Y6 leaders and included crazy golf, rhythmic gymnastics skills, Paralympic sports and table tennis.

The school website and newsletters reflect the profile of PE at St Thomas More School.

3. Increased confidence, knowledge and skills of all staff in teaching PE and sport

St Thomas More school has opted to continue to support the School Sports Partnership by allocating 50% of the funding to the North Oxfordshire Schools Sport Partnership ensuring that, with the exception of curriculum coaching, all festivals, competitions, CPD and resources will continue to operate next year. Youth Sport Trust training -developing PE in school; PE coordinators training; developing playtime activities and Skills2play KS1 workshops.

This year the PE Coordinator was able to access and complete an accredited 2 year-6 module Youth Sport Trust Subject Leader course. This specialism course covered: - • Leadership and Management skills • Teaching & Learning in PE • Curriculum Provision • Young Peoples Achievement • School Sport and Healthy Active Lifestyles • Whole School Impact

Other training courses for staff included Bupa Start to move training, Matalan sports, gymnastics and dance training and Active Match and Literacy courses.

4. Broader experience of a range of sports and activities offered to all pupils.

Funding was used provide the whole school with an Olympic enrichment week.

The Y6 children worked incredible hard all week running Crazy Golf, Basketball, Football, Tennis, Table Tennis, Rhythmic Gymnastics a Swimming Gala AND a Reception class activity morning! They have worked tirelessly to plan, prepare and deliver the most physically challenging week for the whole school. They even finished off the week with a brilliant closing ceremony which included salsa dancing, costumes and an Olympic torch run. It was an outstanding display of all the Olympic and Paralympic values of Friendship, Respect and Excellence Determination, Inspiration, Courage and Equality from the whole school.

Dance Performances included:-

Showcase of Y5 and Y6 Olympic Dance to school

Showcase of Y1 and Y2 Olympic dance to foundation and parents

Showcase of Y3/4 Olympic dance to parents and school

We were invited to The Kidlington Forum Table Tennis Club for an afternoon of coaching and fun. The children learnt how to correctly grip the bat, serve and return shots.

The Y6 Leaders organised a multiskills festival for all the Y1 children in Kidlington. Their leadership and organisational skills were superb and a wonderful festival was delivered to over 200 children.

The Sports funding enabled us to continue Top-Up swimming for our Y6 children who had not reached the statutory requirement 25m. This year we also included some of our Y5 children .10 non-swimmers attended 6 sessions of swimming in summer term. All of the 80% of swimmers achieved 25m after Top-Up Swimming.

5. Increased participation in competitive sport.

This year we were able to increase participation by adding five new festivals into the NOSSP calendar. Y4 Dodgeball, Y1 Multiskills, Y5 Multiskills and Y4 Targeted Futsal and Cross country for U7, U9 and U11 children.

COMPETITIONS/FESTIVALS ATTENDED THIS ACADEMIC YEAR

- U11 TAG RUGBY FESTIVAL 2nd^d,3rd and 4th place
- Y3 OAA/TEAMBUILDING FESTIVAL Individual placings
- Y4 C4L FESTIVAL (non-competitive)
- U11 U9 and U7 CROSS COUNTRY (New 2015/16) u7-2nd place & 2 individual 1st and 3rd place
- U11 HOCKEY FESTIVAL 4th Place
- U11 NETBALL FESTIVAL 3rd Place

- SPORTSHALL ATHLETICS G&T FESTIVAL 3rd place
- SPORTSHALL ATHLETICS TARGETED Y6 FESTIVAL 2nd place
- U11 G&T SWIMMING GALA 2nd place and 4th place
- Y5 MULTISKILLS FESTIVAL 1st, 2nd and 4th
- Y4 DODGEBALL FESTIVAL (New 2015/16) (Non-competitive)
- U9 FOOTBALL 5th and 6TH place
