

The Beacon Residential –Y6 2018

What a wonderful week of experiences our Y6 children had at The Beacon Centre in Devon. They took part in activities including archery, crate stacking, zip wire, Bush craft and Beach exploring. They were all outstanding ambassadors for our school and Mark (the Beacon centre manager) said “I don’t think you realise how marvellous your children are-they are wonderful, well-behaved, caring, compassionate children. We always look forward to St Thomas More coming”.

Thank you to Mr Smith (Asher’s dad) for coming too and being a superb parent helper. We are sure the children thoroughly enjoyed the trip. Here are some reflections written by the children:

*Diego surprised me as I didn't realise how funny he is!-Anthony.
The best part? All of it!-Kaden*

My favourite part of the Beacon was the zip wire because at first I cried but once I did it I loved it!-Ella B.

There was no best part for me as I loved everything equally! –Jacob G

I learnt that if you keep trying and practicing you will do it- Patricia

Probably the best part was getting to know all the people in my class-Fintan

I got to know about myself and what I was good at-Cecilia

I loved the beach-Lucas

Zip-wire was the best!-Rita

My favourite part of the Beacon was the amazing experience of meeting new people-Roan

My favourite activity was the climbing as I managed to get to the top of the hard part-Isaac

What advice would I give Y5 for next year's trip?

At the Beacon, get to know people in your class you don't usually work with, you will be surprised what fun they are!-Matthew
