

St Thomas More Primary

Evidencing the Impact of Primary PE and Sport Premium

2017/18

Our aim is to achieve the following objective:

To achieve self-sustaining improvement in the quality of PE and sport at St Thomas More School. We will achieve this by developing and or adding to the PE and sport activities that the school already offers and make improvements now that will benefit pupils joining the school in future years.

We will be using the funding to:-

- Provide qualified sports coaches to work with teachers
- Provide existing staff with training or resources to help them teach PE and sport more effectively
- Introduce new sports or activities and encourage more pupils to take up sport
- Support and involve the least active children by running or extending school sports clubs, clubs and Change 4 Life clubs
- Embed competitive elements to curriculum PE
- Increase pupils' participation in the School Games.
- Continue the membership with North Oxfordshire School Sports partnership to continue links with other schools and clubs.

St Thomas More School has opted to continue to support the School Sports Partnership by allocating 50% of the funding to the North Oxfordshire Schools Sport Partnership ensuring that, with the exception of curriculum coaching, all festivals, competitions, CPD and resources will continue to operate next year. A detailed action plan of how we are going to spend the rest of the funding is available on the school website.

Our Change 4 Life programme continued this year in the form of an after school table tennis club for KS2 children. KS1 continued to learn about healthy eating and active lifestyles through their PE curriculum lessons.

Two new club were introduced this year-Netball and Dodgeball which we were able to offer free of charge.

THIS YEAR WE HAVE ACHIEVED THE SILVER KITEMARK FROM THE YOUTH SPORT TRUST AND GOLD AWARD FROM THE SAINSBURYS SCHOOL GAMES 2017/18

How we spent the funding 2017/18:-

1. The engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles.

This year funding was used to purchase table tennis equipment to embed our new Change 4 Life after school club. We also purchased the Skip2b fit skipping resources to increase physically activity during change 4 life activities and during the school day. Case studies were used to monitor the effect the additional activities had on their physical activity.

Bike Ability and Award scheme also continued this year as part of our development of a healthy active lifestyle.. This year again we had a 100% success rate with all our Y6 children passing their Bike Ability training.

Sports Leadership training was completed by our Y6 children. Additional new playground equipment purchased from the PE funding developed our Playtime activities delivered by the Y6 children. 80% of Y1 and 90% of Y2 children were engaged throughout the year in lunchtime activities.

This year our Y6 children, along with Y6 leaders from West Kidlington school organised and run a multiskills festival for over 200 Y1 children in Kidlington!

Every class continued to use their allocated hall space for Active Maths/literacy and Topic lesson to again increase physical activity throughout the day.

Also introduced this year was Boogie Breaktime-an opportunity for children to have an active break by engaging in aerobic dance routines to popular songs.

2. The profile of PE and sport being raised across the school as a tool for whole school improvement.

St Thomas more school recognises the impact specialist PE teaching and mentoring has on PE across the school with the PE action plan linked to the School development plan.

This year we decided to allocate a large sum of our funding (£10,000) to help achieve £50,000 towards major changes to our outdoor facilities.

Opportunities for pupil premium and SEN children were supported by the offer of free after school clubs paid for from the Sports funding.

Funding was used to promote an annual “whole School Celebration of Sport Enrichment Day”.

The “Callum O’Dowda award for Sporting Excellence “was awarded over the terms to 3 children

The school website and newsletters reflect the profile of PE at St Thomas More School.

3. Increased confidence, knowledge and skills of all staff in teaching PE and sport

St Thomas More school has opted to continue to support the School Sports Partnership by allocating 50% of the funding to the North Oxfordshire Schools Sport Partnership ensuring that, with the exception of curriculum coaching, all festivals, competitions, CPD and resources will continue to operate next year Youth Sport Trust training -developing PE in school; PE coordinators training; developing playtime activities.

We were delighted again to welcome Mr Lee Smith our School Sports Coordinator who throughout the year worked alongside all teachers to support and develop the teaching of PE throughout the school. This opportunity was due to our continued commitment and affiliation to the North Oxford School Sports Partnership.

The Maths and Literacy Coordinators completed training in Primary Active Maths and Literacy – delivered by Mandy Newbold, YST National Tutor. The workshop focused on providing teachers with the practical tools to embed active lessons within their core maths and literacy planning.

Broader experience of a range of sports and activities offered to all pupils.

The children in KS1 and 2 were given the opportunity to enjoy a fun tennis taster session today, delivered by North Oxford Lawn tennis club and children were offered free family taster days at the club throughout the Summer.

The Sports funding enabled us to continue to offer Top-Up swimming for our Y6 children who had not reached the statutory requirement 25m. 10 non-swimmers in Y6 attended 6 sessions of swimming in summer term. 100% of the swimmers achieved 25m after Top-Up Swimming.

This year we introduced some Y6 transition festivals for children to experience their new secondary school PE experience. Students from Y7 at Gosford School worked with groups of out Y6 children during fun PE activities at Gosford to familiarise them with their new school and its facilities.

4. Increased participation in competitive sport.

Sep-Jul 2018 - 198 from STM (9% PP & 7% SEND) participation in L2 competitions

This year we were able to increase participation by adding a FOOTBALL LEAGUE COMPETITION into the NOSSP calendar.

We also reached the **County Finals competition** with our U7,U9 U11 Cross Country teams.

Funding was allocated to continue the upkeep of the school minibus for travel to and from events.

COMPETITIONS/FESTIVALS ATTENDED THIS ACADEMIC YEAR

- U11 TAG RUGBY FESTIVAL canx/re scheduled INSET DAY!
