

# Year 3 Prayer Service to Parents: Eloquent and Truthful

On Wednesday 16<sup>th</sup> January Year 3 held their New Year prayer service for parents. The theme was the new Virtue focus, "eloquent and truthful".

Before the prayer service the children collaboratively planned the scripture reading, psalm reading, prayers and hymn. As part of the Prayer Service we shared the story of Daniel in the lion's den. This Old Testament story tells how Daniel is eloquent in his description of his love for God, and truthful in his responses to those who plot against him through jealousy. The

children and their parents prayed and sang together and some of us chose to share very thoughtful new year's resolutions which we made together. It was wonderfully well attended by Year 3 parents and we thank you all for coming to share this prayerful time with us.
