

KS1 Trip around Kidlington

On Wednesday 3rd July, KS1 went on a trip around Kidlington. We were learning about the local area and trying to spot the human and physical features. We spotted lots! We saw lots of houses, roads and paths. We saw the different types of shops on the high street. Then we stopped to look very closely at Tesco because it used to be the cinema. We could see how it has changed from the old photograph. We saw some churches and the fire station as well. We really enjoyed the walk and seeing what is in our local area. We never knew there were so many human and physical features! The children walked beautifully and were a credit to the school!
