

St Thomas More Primary

Evidencing the Impact of Primary PE and Sport Premium

2019/20

Our aim is to achieve the following objective:

To achieve self-sustaining improvement in the quality of PE and sport at St Thomas More School. We will achieve this by developing and or adding to the PE and sport activities that the school already offers and make improvements now that will benefit pupils joining the school in future years.

NEWS: On the 5th July 2020 the Department for Education (DfE) confirmed that the Primary PE and Sport Premium funding will continue at £320 million for the 2020/21 academic year. Flexibility to carry forward any unspent PE and sport premium grant funding

As a result of the coronavirus (COVID-19) outbreak, the Department for Education has taken steps to relax the ring-fencing arrangements for the PE and sport premium in the 2019 to 2020 academic year to allow any unspent grant to be carried forward into the next academic year (2020 to 2021). Any under-spends carried forward will need to be spent in full by **31 March 2021**

The announcement followed several statements from ministers on the importance of Physical Education and sport to young people's recovery following school closures and social distancing.

There are well established links between physical activity, improved mental wellbeing and educational attainment and we recognise the importance that children continue to remain fit and active, wherever possible, and have the 60 minutes of daily physical activity recommended by the Chief Medical Officers. We are encouraging our staff to prioritise physical activity as they welcome children back to school in September.

This funding quite rightly continues to be ring fenced and will be scrutinised by Ofsted and Active Partnerships on behalf of Sport England.

We will be using the funding to: -

- Provide qualified sports mentors to work with teachers
- Provide existing staff with training or resources to help them teach PE and sport more effectively
- Introduce new sports or activities and encourage more pupils to take up sport
- Support and involve the least active children by running or extending school sports clubs
- Embed competitive elements to curriculum PE
- Increase pupils' participation in the School Games.
- Continue the membership with North Oxfordshire School Sports partnership to continue links with other schools and clubs.

St Thomas More School has opted to continue to support the School Sports Partnership by allocating a portion of our funding to the North Oxfordshire Schools Sport Partnership ensuring that, with the exception of curriculum coaching, all festivals, competitions, CPD, membership to the Youth Sport trust and further resources will where possible, continue to operate next year. (£-4438)

School Games Mark: *In light of COVID-19, school closures and social distancing measures, the decision has been made to pause the 2020 School Games Mark; as a result, schools will retain their 2019 **GOLD** School Games Mark Award.*

How we spent the funding 2019/20: -

Total fund allocated:2019/20	£ 17,510.00
	£ + 502.45 (carried forward from 2018/19)
	£ 18,012.45
	£ -5,258.00 (2019/20 expenditure)
Balance carried forward to 2020/21_	£ 12,754.45

1. The engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles.

Bike Ability and Award scheme continued this year as part of our development of a healthy active lifestyle. This year again we had a 100% success rate with all our Y6 children passing their Bike Ability training.

Sports Leadership training was completed by our Y6 children.

Every class continued to use their allocated hall space for Active Maths/literacy and Topic lesson to again increase physical activity throughout the day.

The hall was upgraded with a new floor and a specialist PE trolley purchased to access PE equipment more efficiently during PE lessons (£-210)

The hall will benefit from new gymnastics wall climbing frame which were unable to be fitted due to COVID 19.

2. The profile of PE and sport being raised across the school as a tool for whole school improvement.

St Thomas more school recognises the impact specialist PE teaching and mentoring has on PE across the school with the PE action plan linked to the School development plan.

This year, our wonderful new facility (a new Multi use games area-MUGA) for our playground was completed in November 2019. This facility has greatly improved the children's opportunities to take part in activities outside during curriculum PE, playtime and after school clubs.

The “Callum O’Dowda” award for Sporting Excellence “was awarded at the end of the Autumn term

The “Sue Pollard” award for teamwork awarded to Y6 Swimming team for their achievement in reaching the Partnership County Finals.

The school website and 2-weekly newsletters reflect the profile of PE at St Thomas More School.

3. Increased confidence, knowledge and skills of all staff in teaching PE and sport

St Thomas More school has opted to continue to support the School Sports Partnership by allocating 50% of the funding to the North Oxfordshire Schools Sport Partnership ensuring that all festivals, competitions, CPD and resources will continue to operate next year Youth Sport Trust training - developing PE in school; PE coordinators training; developing playtime activities.

We were delighted to welcome Mr James Gough our School Sports Coordinator from Gosford Hill School who worked alongside our Y1 NQT teacher to support and develop her CPD in the teaching of PE. This opportunity was due to our continued commitment and affiliation to the North Oxford School Sports Partnership.

The PE lead continued to participate in online training from the North Oxfordshire Sports Partnership along with the Youth Sport Trust.

4. Broader experience of a range of sports and activities offered to all pupils.

Cherwell District Council Youth Activators attended the school during term 4 and delivered a 30-minute lunchtime session working with KS2 LESS ACTIVE AND PUPIL PREMIUM children to help them achieve their 30 minutes of activity as outlined by Sport England and after, they delivered a curriculum session with our Y3 children- which was to focus on key areas, especially team work. (£-100)

Unfortunately, due to the COVID 19 outbreak we were unable to offer Top-Up swimming for our Y6 children who had not reached the statutory requirement 25m. We are hoping to offer the children in Y4 who only swam for half the year, an opportunity to swim in Y5 as well as Top-Up swimming for Y6 next year

Obesity measures for Reception and Year 6 children were below local and national averages

5. Increased participation in competitive sport.

Sadly, many of this year’s festivals and competitions were unable to take place due to COVID 19 restrictions. However, the following events were able take place: -

Funding was allocated to the upkeep of the school minibus for travel to and from events. (£-500)

COMPETITIONS/FESTIVALS ATTENDED THIS ACADEMIC YEAR 2019/20

FESTIVAL/COMPETITION	PLACING
U11 Tag Rugby Festival	2nd and 6TH place
Y3 Teambuilding Festival	Non-competitive

Level 1 Competitions

Each unit of work throughout the year for all classes allows for 100% in KS1 and KS2 participation in competitive activities and inter-house competitions.

Children were signposted to the School Games “Sock Fest” competitive activities to take part in during school closure.

A detailed action plan of how we have/we are going to spend the Sports funding is available on the school website

Proposals for next year (2020/21)

- Gymnastic wall climbing frame fitted in school hall
- Purchase of new playground equipment
- Balance bikes for EYFS
- New playground markings
- Completion of running track markings around new MUGA
- Top up Swimming for Y6
- Additional top up swimming sessions for Y4 children who missed 3 terms of swimming
- Activators Lunchtime and curriculum support

D.Heap – July 2020
