Ancient Greece:

In our arts and humanities work we will continue to study the Ancient Greeks. This term we will focus our learning on the enquiry question: What impact have the Ancient Greeks had on our lives today?

We will find out about Ancient Greek schools and education and compare it with modern education. We will also find out about the origins of the Olympic Games and discover how they changed over time to become the Modern Olympic Games. Children will continue to improve their research skills working independently and in groups.

We will culminate our learning by exploring Ancient and Modern Greek food. Children will plan and design a Greek menu for a Greek Taverna by creating Ancient and Modern Greek dishes. They will consider which ingredients will be needed, whether they are in season and what quantities will be required, costs involved, method and time to prepare and cook, along with any special dietary requirements before finally preparing and serving their dishes. Children will be challenged to consider which types of entertainment such as music or poetry or stories might enhance the Taverna experience. Afterwards, there will be opportunities to write reviews of their dishes, describing the flavours and making recommendations for 'Trip Advisor.'

Books:

It is extremely important that your child reads EVERY night. This may be only a few pages but could be a few chapters. You will notice that reading is listed as a homework activity every day and must be given a similar priority to any written homework given. The children must complete their reading logs/diaries, which will form part of their homework, on a daily basis. By reading daily, the children will be exposed to a range of authors and genres, and this will help them to perform better in their own creative writing tasks. This is a certain way of helping to improve writing ability in conjunction with other techniques.

Year 5: Children will also regularly be heard read in school during our Whole Class Reading sessions. Reading response will form regular parts of the literacy work we will complete on a weekly basis.

Year 6: Children will also regularly be heard read in school during our Whole Class Guided and Close Reading sessions as well as during a dedicated reading skills session. Reading response will form regular parts of the literacy work we will complete on a weekly basis.

Homework

Year 5: Children are expected to complete the TT Rockstars and Spelling Shed activities set during the week as well as reading for a minimum of 20 minutes each day and completing their reading diaries. This term we will use **Seesaw** to assign homework. This will be set on Friday to be completed by the following Wednesday and will usually consist of maths and grammar work. The tasks given will be a continuation of the learning in class, allowing children to reinforce their understanding of key objectives and apply them to further situations. Children should complete homework independently, and we can address any misconceptions during our skills sessions.

Year 6: This term we will use **Seesaw** to assign homework. Homework should be uploaded daily once completed and not brought into school unless requested. The children will receive a skills based homework **daily**, which is revision and assessing their understanding and grasp of key objectives. As this is the case children should complete homework **independently** spending a **maximum of 30 minutes** per evening (please note it may not take the full 30 minutes to

St Thomas More Primary

complete). If there is a concept they are struggling with and they cannot complete it without a lot of parent intervention, the children **should not continue** with the homework, simply **bring the homework with them uncompleted**. This is much more informative for me and we can address any misconceptions during our daily skills sessions.

General Reminders:

Punctuality: Please ensure your child is at school for 8.40am.

Uniform: All pupils should be wearing full school uniform at all times and also need a pair of trainers for outdoor use and shoes for indoor use. Please refer to the schools uniform policy for guidance. **No jewellery is permitted in school.**

Please ensure all belongings are labelled. Summer uniform may be worn this term.

Equipment: In key stage 2 we expect all pupils to have the following equipment:

Pencils	Sharpener
Ruler	Highlighters (optional)
Eraser	Coloured pencils (optional)

Medicines: Only prescribed medicines should be labelled and handed in to the office with details of dosage requirements. Please refer to school policy on handling and administering medicines. (This excludes asthma inhalers, which must always be named and with the child at all times).

Water/Healthy Snack: Every pupil requires a **labelled** water bottle. Please ensure children only bring **fruit or vegetables** or a snack containing **100% fruit or vegetables** for break time snack.
