Dear Parents and Carers,

Wednesday 6th October 2021

Year 3/4 Educational Visit to Corinium Museum, Cirencester - Monday 22nd November

We are planning to take Year 3 and Year 4 to visit Corinium Museum in Cirencester. This should be an exciting learning experience for the children which includes an active learning session. Pupils will explore Roman life through a series of activities. They will get hands-on with mosaic making, Roman games, food, pottery and Roman clothing. This session brings Roman Britain to life in a practical way for the children. Children will develop an understanding of the importance of archaeological investigations with the “wow” of holding something that is “really Roman”. In addition, children will take part in a tour around the museum, paying particular attention to the Roman exhibits.

The cost of the trip, including transport is £9.27 per child.

In order for us to confirm the provisional booking, all payments must be made via school gateway by Wednesday 20th October. If we do not receive sufficient contributions towards the cost of the trip, then we will not be able to proceed and the trip will be cancelled. Children will need to bring a packed lunch on that day and will be expected to wear full school uniform. They will require a waterproof coat and should wear their school shoes. We will depart after morning registration and will return to school by 3:15 pm. If your child is entitled to free school meals and you would like the school to provide a packed lunch, please indicate this on school gateway by ticking the relevant box.

We will need a couple of parent helpers so please do let us know if you would be interested in coming along. We will then contact you if needed.

We are really looking forward to this visit to an exciting and informative source of information which will be a new experience for most if not all the children.

Thank you for your support.
